

# Become a Friend of the Dulverton Exmoor Literary Festival 2025

The Dulverton Exmoor Literary Festival is an annual event for storylovers of all ages across Exmoor, Somerset and Devon, held in the charming moorland town of Dulverton.

The Friends of The Dulverton Exmoor Literary Festival scheme has been formed to bring together all those who enjoy reading all year round and to encourage a richer and wider development of the event. By becoming a Friend for 12 months you will give vital support to the Festival organisers in attracting writers of excellence, of both fiction and non fiction. You will also help support our outreach programme which encourages reading and writing across our local schools through our annual Dulverton Exmoor Literary Festival Children's Writing Competition, and by offering author talks, writing discussions and book readings to suit all ages.

For a minimum donation of £20 for 12 months' membership, Friends of The Dulverton Exmoor Literary Festival 2025 will receive the following benefits:

- Priority booking of online tickets to the Festival - one week in advance of the Box Office opening to all
- An advance copy of the Festival Programme posted to your home
- Pre-order signed books by your favourite Festival authors to collect on the day from the Festival popup Waterstones bookshop and guarantee you don't miss out

---

I would like to become a Friend of The Dulverton Exmoor Literary Festival 2025 and receive all of the above benefits.
